## Fast facts

### Who we are

Established in 1973, Foo Kon Tan Grant Thornton LLP is well recognised and trusted in the business community. We have been helping clients to seize growth opportunities and succeed in the changing business and regulatory environments. Today, many of our clients are listed on the Singapore Exchange as well as other international capital markets. Others have become leading brand names.

### Where we are

### How we work

We establish a strong relationship from the start, taking the time to understand the business and aspirations of our clients. We know the drive and determination needed to get a business to where it is today and we are committed to helping clients cope with changes and overcome challenges. Our approach to service offers clients access to their engagement partners from beginning to end. Through our membership of Grant Thornton International, we have access to firms in over 100 countries, offering clients specialist local knowledge supported by international expertise and proven methodologies.

Foo Kon Tan Grant Thornton has an International Business Centre (IBC) that provides a gateway to the resources of the Grant Thornton International global

organisation. IBCs are led by experts in international business familiar with the wealth of experience held by member firm partners around the world. They coordinate this expertise to serve clients across borders.
